MS-264 Report Supplement

CHARACTERISTICS OF ELIGIBLE MEDICAID RECIPIENTS

JULY 1987

NOTE: In March 1986, the administrative functions for the Medical Assistance Program were separated from the Department for Social Insurance and the Department for Medicaid Services was created within the Cabinet for Human Resources to administer Title XIX, Medicaid. With the July 1986 report, the PA-264 series, "Public Assistance in Kentucky", has been revised to separate the money payment programs of Aid to Families with Dependent Children and State Supplementation from the vendor Medicaid Services Program; consequently, the "MS-264 Series" will reflect Title XIX, Medicaid, data only. Since this Supplement displays persons eligible for Medicaid, the only change is labeling to denote Department for Medicaid Services, etc.

This report is a corallary to the MS-264, MEDICAID SERVICES IN KENTUCKY, for recipients eligible for Title XIX, Medicaid. Such eligible recipients are displayed in this report by age group, race, sex and status (adult or child) for each eligibility category. The Aid to Dependent Children (AFDC) and MA Families with Dependent Children (MAC) Categories are displayed by specific eligibility criteria, i.e., Basic, (death, absence, or incapacity of parent), Foster Care, Unemployment, etc. Children's age is shown for each year rather than by groups. For convenience the definition of the eligibility categories are repeated in this cover as follows:

Eligibility Criteria. Persons receiving a money payment for subsistence needs are automatically eligible for Medicaid and are designated as Categorically Needy. Such persons are AFDC children/adults and SSI/SS aged, blind and disabled recipients. Other eligible persons are designated as Medically Needy Only.

Categorically Needy Eligibles. Money payment programs are Supplemental Security Income (SSI), State Supplementation (SS), Aid to Families with Dependent Children (AFDC), and AFDC-Foster Care. SSI is administered by USSSA, AFDC and SS are administered by the Kentucky Department for Social Insurance, and AFDC-Foster Care is administered by the Kentucky Department for Social Services (effective April 1982).

Aid to Aged, Blind and Disabled (ABD); Supplemental Security Income (SSI); and State Supplementation to ABD (SS). Title I of the Social Security Act established subsistence payments to the aged which was implemented in August 1936 with Federal/State funding. Aid to Blind and Aid to Permanently and Totally Disabled were established under SSA and implemented in Kentucky in December 1942 and September 1956 respectively. Subsequently, SSA combined AABD into one program under Title XVI. The 1972 Social Security Amendments mandated the Social Security Administration to assume the Title XVI, Aid to Aged, Blind, or Disabled. This program as implemented by SSA in January 1974, is known as Supplemental Security Income (SSI) and is supported by all federal monies. The law also mandated states to supplement from all state monies, any difference between a SSI payment and the prior AABD payment for persons who were receiving Title XVI on December 31, 1973; hence, "State Supplementation". In Kentucky, State Supplementation is directed primarily to aged, blind or disabled persons residing in Personal Care Homes, Family Care Homes, or persons needing a "Caretaker" in their own home to prevent institutionalization.

Aid to Families with Dependent Children (AFDC). Established under Title IV-A of the Social Security Act of 1936, the AFDC federal/state funded money payment program provides for the basic subsistence needs of children who are deprived of parental support or care due to death, continued absence, physical or mental incapacity of the parent, and (at states option and/or fiscal capability) unemployment of parent. In addition, assistance is available for eligible children needing placement in foster care upon judicial finding that the home is not conducive to the child's well-being until such time as home-setting is improved and the child can be returned. On October 1, 1942, Kentucky implemented AFDC for children deprived due to death, absence or incapacity of parents and on February 1, 1964, expanded the Program to include Foster Care. The money payment unemployed parents (father) segment (AFDC-UP) was in effect in Kentucky from July 1975 through July 1977. Subsequent amendments designated selected groups as categorically needy and consequently eligible for Medicaid. Such groups are 1) AFDC cases with money payments discontinued due to increased earnings retain Medicaid eligibility for four months - implemented May 1974; 2) AFDC recipients eligible for less than $10 but due to OBRA 1981 do not receive payment, implemented February 1982; 3) children eligible for foster care or adoption assistance under Title IV-E of the Adoption Assistance and Child Welfare ACT of 1980 - implemented in Kentucky in July 1982; Recipients with AFDC suspended for one month but retaining Medicaid eligibility--implemented October 1984.

Medically Needy Eligibles. Under Title XIX, the 1965 Amendments allowed for expansion of the program to persons other than the aged who were not in receipt of money payments for subsistence needs, i.e., medically needy only persons. Eligibility criteria parallel the categorically needy except for income. As implemented in July 1966, (the effective date of the amendment), Kentucky's Medical Only Program extended coverage beyond the basic categorical groups of aged, blind, disabled and families with dependent children deprived due to death, absence, or incapacity of parent to the medically indigent families with children with unemployed parents and also for the "unborn" child, two segments not receiving money payments in Kentucky.

Effective July 1973, federal regulations restricted the definition of unemployment to specified time-related labor market attachments. Concurrent with this action, Kentucky elected to cover persons meeting the eligibility criteria for special groups of children and thereby retained coverage for "children only in families with unemployed parent(s)" with a less restrictive work history. This segment was discontinued October 1, 1981, for cost-containment purposes. In February 1974, the Medical Only Program was expanded to cover a special group of children who are patients in psychiatric hospitals.

The Deficit Reduction Act of 1984 (DEFRA) requires that children in intact families (deprivation factor not required) who were born after September 30, 1983 and have not reached age five (5) will be eligible for Medicaid if the income and resource standard for AFDC is met. (NOTE: Not eligible for AFDC money payment.) Medicaid coverage for such children was implemented October 1984. In January 1985, Kentucky voluntarily extended this coverage to such children meeting the higher Medicaid standard. In January 1985, Kentucky also extended coverage to include pregnant women in intact families with the above resource limits. In July 1987 Kentucky extended coverage to children in MAC Intact Families to age 18.

Effective June 1987, recipients in long-term care for 30 full consecutive days and income not to exceed 300 percent of the SSI standard were designated as categorically needy recipients thereby not requiring spend-down eligibility criteria.
